## **Fairies Program Description**

Discover the secret world of fairies.

This program begins with an interactive reading of A Visit to Fairyland.

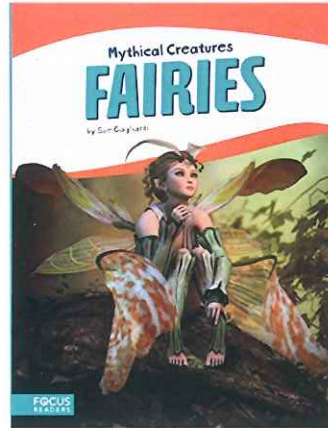

Participants are invited to use props and dress as the various fairies described in the book.

### **Topics Include:**

- Nature in Fairy Folklore
- Life as a Fairy
- Real-Life Fairies: Fairy Fly
- The Merry Dancers and The Northern Lights

### **Programs Available for:**

After-school events,  
Family Literacy and STEM events,  
libraries, museums, summer programs

### **About the Book**

#### **Mythical Creatures: Fairies**

Introduces readers to the fascinating folklore behind fairies. Fun facts and eye-catching photos invite readers to explore the mythology of this popular mythical creature. Readers take a Visit to Fairy Land and explore fairy folklore from around the world.

## **Choice of Fairy-Themed Activities**

- Fairy Dance and Songs
- Fairy Trades: Weaving Craft
- Flower Crown Craft
- Fairy Name Activity
- Flower Pen Craft

Supplies and handouts will be provided for exploration at each station.

**Program Length:** 60-90 minutes  
(after-school, early evenings,  
weekends, summer)

Program Fee available upon request
